A TRADITIONAL VILLA

A 3+1 bedroom, traditional villa situated in the Loulé countryside, only a short drive from the main town. This recently renovated property includes typical Portuguese characteristics such as the terracotta flooring and wooden shutters adding a lot of charm to the villa. All on one level, the property comprises an open plan lounge/dining area with a wood burner and a spacious fully fitted and equipped kitchen with laundry area and access to the rear patio.

The kitchen is equipped to accommodate rental stays and includes a glass washer, wine cooler and has pre-installation for an ice machine. These living areas provide access to the inviting covered terrace looking out towards the pre-fab swimming pool surrounded by decking. Next to the kitchen is a fitted storage room and a separate shower room. The 3 bedrooms are en-suite including the main bedroom featuring a walk-in closet/office area which could potentially be used as the 4th bedroom.

The exterior has a mix of manicured garden with mature trees and flower beds and lower maintenance garden on different levels creating various areas of relaxation/entertainment. The villa has central heating and AC units throughout, pre-installation for solar panels and photovoltaic panels, is completely walled and gated with a carport and parking area. Additionally, there is a project for an extension of the villa creating 2 extra bedroom suites and a concrete swimming pool.
